

NOLAN CREEK

January 5, 2016

Dear Nolan Creek Stakeholder:

The Texas Commission on Environmental Quality (TCEQ), the Texas Institute for Applied Environmental Research (TIAER), and Cities of Killeen and Harker Heights cordially invite you to a Nolan Creek Watershed Partnership meeting. This meeting will be held on **January 20, 2016** from **6:00pm – 8:00pm**, at the **Harker Heights Activity Center, Room A** located at **400 Indian Trail in Harker Heights, TX 76548**.

At this meeting, an overview of the educational and outreach strategy for addressing elevated bacteria concentrations and their impact on recreational use of Nolan Creek will be presented. Additionally, steps will be discussed regarding watershed protection planning for Nolan Creek/South Nolan Creek watershed.

Stakeholder feedback is important, so we ask for your attendance and participation in decisions impacting the water quality of Nolan Creek/South Nolan Creek.

A map to the meeting place is printed on the back of this invitation and an agenda is enclosed. Further information about the project, publications, and upcoming meetings can be accessed at the project's website:

<http://www.killeentexas.gov/nolancreekwatershed>.

If you have any questions, please contact me at mcfarla@tiaer.tarleton.edu or 254-968-9581. I look forward to seeing you on **January 20th at 6:00 p.m.**

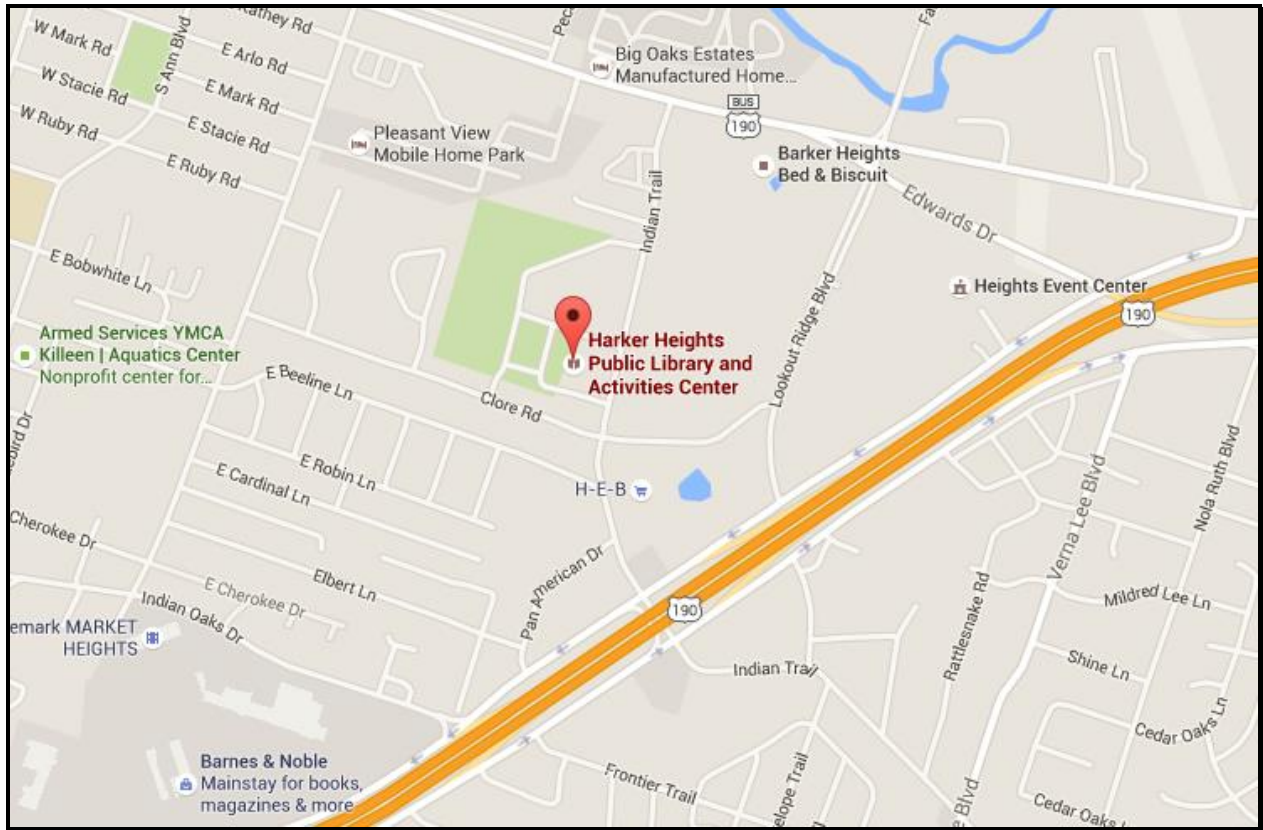

Sincerely,

Anne McFarland
Project Manager for the Nolan Creek/South Nolan Creek Watershed Project
TIAER at Tarleton State University
